Prior to moving to Wilson, North Carolina, Dr. Stephens served numerous community colleges throughout the country beginning in 1971. He has held positions ranging from instructor to his current post as president and has educated young people from Ohio to Georgia and places in between. ## HONORING JIM THEOFELIS

**HON. ADAM SMITH**

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 29, 2015*

Mr. SMITH of Washington. Mr. Speaker, I rise to honor the work and achievements of Jim Theofelis, Founder and Executive Director of The Mockingbird Society.

With an eye towards the future, Mr. Theofelis founded The Mockingbird Society in 2001—which has worked to improve the foster care system as well as end youth homelessness for the past 14 years. The organization stands on the principle that all young people deserve the right to reach adulthood in a healthy, supportive environment with the opportunity to thrive in life.

As Executive Director of The Mockingbird Society, Jim and his team successfully advocated for a number of policies aimed at re-

forming the child welfare system. Under Jim's leadership, The Mockingbird Society pushed for legislation that allowed youth to seal their juvenile records, so they will not be automatically disqualified in obtaining employment and housing. The Mockingbird Society also advocated for extended foster care and access to medical care for youth, which established the organization as a strong national presence on juvenile policy issues.

Prior to his work at The Mockingbird Society, Jim earned a MAEd from Seattle University and served in various positions dedicated to helping youth and families ranging from direct service to senior management. Overall, he has spent nearly 35 years working with and advocating for disadvantaged children and youth—specifically in mental health—and has been widely recognized for his hard work and selfless commitment to youth causes. Of his many awards, Jim received the 2011 Jefferson Award, our country's longest standing and most prestigious celebration of public service—a testament to his commitment to the community.

Mr. Speaker, it is with great honor that I recognize the work Mr. Theofelis has done to reform the child welfare system in our state and in our nation. Jim's unrelenting and passionate dedication to advocating for vulnerable youth serves as an example of the tremendous impact one outstanding person can have on his community.

SABLAN**

OF THE NORTHERN MARIANA ISLANDS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 29, 2015*

Mr. SABLAN. Mr. Speaker, allow me to add to the record of the U.S. House of Representatives the story of Mr. William DeWitt, a teacher, who has brought the art of music in the Northern Mariana Islands to an unprecedented level of excellence and who has given to thousands of our young people the joy of finding within themselves their own musical talents.

Mr. William DeWitt first came to the Northern Mariana Islands in 1993, beginning his career in middle and junior high school, teaching a variety of subjects, including band, piano, and choir. He then accepted an offer to teach at Marianas High School and was successful there at reviving its band program. Enthusiasm for instrumental music education began to crescendo, and in 2002 Mr. DeWitt was invited to join the faculty of the newly inaugurated Saipan Southern High School, which was designed to be a magnet school for students with an interest in the arts and technology. He has now spent thirteen years at Saipan Southern, helping countless students fulfill their dream to make music and share it with the world. In doing so, Mr. DeWitt and the students he has guided have created a legacy, the Saipan Southern High School Manta Ray Band, that is certainly one of the greatest sources of pride for the Northern Marianas Public School System and, indeed, for our entire community.

When Mr. DeWitt came to Saipan 22 years ago, he could not have known what he would accomplish. Our island community has always
